HEAD LICE

Five tips to prevent head lice:

1. Comb and brush your hair everyday with your own comb or brush
2. Avoid sharing hats
3. Wear swimming caps at the pool and avoid sharing towels
4. Wear your long hair tied up
5. Let an adult check your hair and check the whole family weekly

If you notice your child has head lice:

- Treat with wet combing or Dimethicone 4% lotion
- Notify school so that they can tell parents to check their children
